- Balance Sheet Resilience
- Brand Dominance & CX

A proven **self-sustaining growth engine** driving compounding earnings and strong, consistent returns

Disciplined execution delivering robust organic growth

Strong credit performance achieved through selective client onboarding and rigorous portfolio oversight, aligned with our risk tolerance

Strong earnings power accelerating **returns on capital**

- Maintain a strong Credit quality, robust capital, and ample liquidity.
- Support clients across economic cycles to foster long-term trust.

- Allocate capital with discipline, focusing on high-value business lines.
- Deepen primary bank relationships in high-potential segments.

- Deliver exceptional, service-oriented experiences.
 - Target high-growth segments with specialized capabilities.
 - Empower frontline teams to execute focused action plans.
 - Adapt swiftly and strategically to evolving market dynamics.
- Fund growth through continued expense optimization.
- Optimize financial and balance sheet management .

Safwa’s sustainability and climate strategy and approach are key to advancing our commercial objectives, effectively managing risk, promoting efficiencies in our business and maintaining positive stakeholder relations. Our areas of focus include:

Sustainability

- Strong economic performance enables the bank to contribute to economic growth, create employment opportunities, support community development, and ensure long-term value for our stakeholders.
- Promoting financial inclusion through making it accessible to underserved populations to obtain practical and reasonably priced financial products and services
- Long-term financial inclusion vision, by supporting the establishment and growth of new businesses, makes investments in health and education, manages risks, and weathering financial shocks

Customer Privacy and Satisfaction

- Implementing robust management systems and procedures, and utilize industry best practices to protect customer information.
- Adhere to the highest global standards for cybersecurity and data protection, safeguarding our clients from potential risks associated with using e-services.
- SIB persistently directs its efforts towards increasing satisfaction, fostering loyalty, and ensuring retention among customers.
- Customer satisfaction is evaluated by measuring feedback on account openings, financing, and cards

Community Support and Development

- Providing tailored products to increase access to financial services in order to meet the varied demands of our clients
- Implementing various initiatives that focus on education, entrepreneurship, environmental sustainability, and support for underprivileged communities.
- Our charitable contributions and volunteer work promote environmental and community resilience.

Climate

- SIB fosters a dynamic and collaborative workplace culture rooted in Islamic values, transparency, and customers - centered service.
- SIB maintains a balance between modern efficiency and adherence to Islamic financial principles, creating a motivated and value-aligned workforce that feels part of a larger mission rather than merely transactional roles
